

# Volunteer Opportunities!

26th Annual  
**Pumpkin Festival** Saturday  
Oct. 19, 2019  
11 AM–4 PM

## Pumpkin Festival Go-To Positions

The stations below each require a “go-to”—or lead person—to be in charge of the responsibilities listed.

Some are more demanding than others, but delegating various areas should lessen the load for the event chairpersons.

Ideally, the chairperson can monitor what’s happening by keeping in touch with the go-to people rather than trying to do the tasks themselves.
